

Dear Fellow Soldier in Life,

Blessing Bag Brigade NJ is a 501 (c) 3 dedicated to showing compassion and humanitarianism to those in need by providing them with blessing bags filled with hygiene items, food and socks. Our mission is to help the homeless find some comfort and hope. It has been our experience that everyday items, that we take for granted, can make a huge impact on these individuals. Once the supplies are collected, children with special needs assemble the bags, which enhance their life skills. These bags are then distributed to local shelters and on the streets of NYC. We are asking for donations of the supplies for the blessing bags or monetary donations to purchase these much needed supplies. Our tax ID number is 82-0862380.

Thank you in your efforts to help the homeless feel blessed even for just one day!  
We ask that all donated items should be unisex and travel size.
